

St. Louis Audubon Society

Environmental Stewardship Projects

Wednesday March 15th at Creve Coeur Park. Honeysuckle removal.

Bring your favorite lopper or saw. We will meet in the south lot at the Creve Coeur Lakehouse, 2160 Creve Coeur Mill Road, St. Louis, MO 63146.

Saturday, March 18th Confluence Trash Bash. Watershed Cleanup.

All ages welcome. For all the details, and to register:

<https://www.greenwaynetwork.org/projects-issues/confluence-trash-bash.php>

April 8th at Creve Coeur Park. Planting project.

We will be planting the Mallard Lake shoreline with a variety of native shrubs and small trees. Bring a shovel if you have one, and waterproof boots or waders might be helpful. We will meet in the south lot at the Creve Coeur Lakehouse, 2160 Creve Coeur Mill Road, St. Louis, MO 63146. RAIN DATE APRIL 15TH.

April 29th at Creve Coeur Park. Pollinator garden planting.

Help us continue our multi-year project partnership to create prairie, woodland and pollinator gardens! Bring a shovel if you have one. We will meet in the south lot at the Lakehouse, 2160 Creve Coeur Mill Road, St. Louis, MO 63146. RAIN DATE MAY 6TH.

Honeysuckle Sweep for Healthy Habitat—March 4th thru March 19th

For additional opportunities around the St. Louis region to remove invasive bush honeysuckle and help restore our natural areas see the [BiodiverseCity St. Louis website](#) for all the details.

All projects begin at 9:00 am with registration starting at 8:30 am. All are half-day, ending by noon. Gloves and other supplies/materials are provided. All ages welcome, but those under 18 must have parental/adult supervision at all times.

Volunteers are requested to register for all projects by providing their name, contact information and number attending to mitch@stlouisaudubon.org or (314) 599-7390.
